

# VIA ALBULA/BERNINA

## OVERVIEW

The long distance walking trail of Via Albula/Bernina No. 33 along the UNESCO world heritage train of the Rhaetian Rail runs as close as possible to the Albula and Bernina line and provides every now and then fascinating views that open out onto the 100 year old work of art in the magnificent Alpine landscape. Experience this unique comingling of technology and landscape with the right means, namely, by rail and on foot. We will make sure that you do not have to worry about your baggage en route, and, thanks to the Albula/Bernina Bahnpass, you can climb off and get on to the train again at any station you choose.

## THE PROGRAM OF YOUR CHOICE

Now you can experience these wonderful worlds just as you wish. You can choose:

- Number of days of travel (you can also book additional nights everywhere)
